SUBMISSION OF PROPOSED DRAWING CORRECTIONS

Sir:

Replacement drawing sheets are being submitted simultaneously herewith to correct minor and obvious draftsman errors. More specifically, Figure 5 is corrected to add the connection to Vdd (which is correctly shown in Figure 6). In addition, Figure 6 is corrected to relocate the identification number 45 (which is correctly shown in Figure 5). Applicant submits that these draftsman-related errors are obvious to one ordinarily skilled in the art, and that these corrections do not present new matter. In view of the foregoing, the Examiner is respectfully requested to enter the replacement sheets within the application to allow the invention be properly illustrated.

Approval and acknowledgment of receipt are respectfully requested.

Respectfully Submitted,
